{188}{274}- Paige, where you been? You're late.|- I know. I'm sorry, I got tied up.
{278}{313}Where? At Richard's?
{317}{398}No, I was at work.|Get your mind out of the gutter, missy.
{402}{474}Hey, you're the one that orbs home|to find lingerie.
{479}{531}Two times. I did that twice.
{535}{594}Yeah, it's about the only time|we ever see you anymore.
{599}{661}- Why did I come? To get picked on?|- Because we love you.
{665}{697}We kind of miss you.
{701}{769}I am not at Richard's that much.
{798}{871}Fine, maybe I am. But I am just|an orb away if you need help.
{875}{920}The thing is,|we just gotta be careful.
{924}{996}If we stray too far from each other,|demons take advantage.
{1000}{1064}We've learned that lesson|the hard way a few times.
{1068}{1126}I know, I know, I get it.
{1130}{1204}I just really don't wanna think of us|living together in 50 years.
{1223}{1269}Twenty, 30 years, tops.
{1273}{1332}We can move to Hong Kong|so I can see Jason whenever I want.
{1336}{1407}How do you say "dream on"|in Chinese?
{1448}{1489}- Impressive.|- Berlitz.
{1505}{1552}Okay, what about you, missy?
{1556}{1602}- Spill it!|- Spill what?
{1606}{1659}Come on, you and Greg?
{1663}{1704}Put out any fires lately?
{1708}{1752}Is that supposed to be|a fireman reference?
{1756}{1797}- Yeah, you like it?|- Wait a minute.
{1801}{1846}You're going out with a fire-fighter?
{1850}{1902}Proof positive|you haven't been around much.
{1906}{1976}Let's see, they've been seeing|each other for about three weeks,
{1980}{2068}and someone, I won't say who,|although it's not the fireman,
{2072}{2122}is avoiding taking it to the next step.
{2126}{2229}I'm not avoiding.|I'm just a little reluctant, that's all.
{2233}{2303}My dear, it is time|to get back in the saddle.
{2307}{2354}Now a cowboy reference.
{2358}{2406}Piper, you just need to relax|and let it happen.
{2410}{2495}Easy for you to say. You weren't|sleeping with an angel for three years.
{2499}{2594}Yeah, but you were nervous when you|and Leo first started... You know?
{2598}{2702}I seem to remember that you used|to freeze him during all the good parts.
{2717}{2748}Hey, maybe you should...
{2752}{2796}No. I'm not freezing Greg.
{2800}{2850}I'm so nervous,|I'd probably blow him up.
{2855}{2959}- Well?|- Gutter, gutter, gutter.
{2963}{3000}What are you guys talking about?
{3004}{3038}Stuff.
{3042}{3121}- Hey, where you going?|- I gotta go work on the next demon...
{3125}{3159}...stration.
{3163}{3210}Why don't you relax|and have a drink with us?
{3214}{3266}Thanks, but I didn't|come here to relax.
{3312}{3359}That is one bitchy whitelighter.
{3363}{3395}You're telling me.
{3399}{3477}Hey, Piper, why don't you go talk|to the guilt machine over there?
{3731}{3778}Bianca.
{3846}{3919}I don't understand.|What are you doing here?
{3967}{4001}There'll be time to explain later.
{4023}{4051}But for now...
{4242}{4275}You know, all work and no... Hey!
{4499}{4555}Are you okay?

{4583}{4628}Yeah, I think so.
{4632}{4691}What happened? Who was she?
{4727}{4760}I don't know.
{6484}{6578}- Is that the mark?|- No, it looked more like a bird.
{6583}{6680}A bird? So maybe the Audubon Society|sent the demon after us?
{6684}{6722}Just keep looking.
{6726}{6787}Guys, I'm telling you, I'm fine.|Don't sweat it.
{6791}{6840}- You sure she wasn't a darklighter?|- I'm sure.
{6844}{6886}What else would be after|a whitelighter?
{6890}{6924}I don't know.|That's what worries me.
{6928}{6964}Piper blew her away,|what's the big deal?
{6968}{7028}The big deal is someone|tried to kill you, Chris.
{7032}{7099}Look at me. Not a scratch, nothing.
{7105}{7143}How did she get that close|to you anyway
{7147}{7185}if you didn't even know|who she was?
{7189}{7258}- We really ought to fix that, you know.|- Come on, who's after you?
{7262}{7316}Has it crossed your mind|that maybe she wasn't after me?
{7320}{7354}Maybe she was trying|to get to them.
{7371}{7426}- Kind of makes sense.|- Finally, somebody's listening.
{7430}{7494}Now, if you'll excuse me,|I've got some work to take care of.
{7599}{7670}- He's not telling the truth.|- Leo, maybe there's nothing to tell.
{7696}{7742}- Could you sense anything?|- From Chris?
{7746}{7784}No, I can never sense|anything from him.
{7827}{7878}- What are you thinking?|- I'm thinking
{7882}{7970}that if we figure out who she was,|we might figure out who Chris is.
{7974}{8031}Well, we're not gonna find it in here,
{8035}{8075}at least not until we have|more to go on.
{8079}{8163}So you guys know where|I'm gonna be if you need me.
{8167}{8198}Yeah, I gotta go too.
{8231}{8282}Wait, you're just gonna let them go?
{8287}{8334}What do you want me to say?|They have lives too.
{8338}{8374}Besides, what more can we do?
{8379}{8450}Figure out who the demon is and|make sure nobody else is after him.
{8467}{8528}I'll get it, you just keep checking|on the Book, okay?
{8533}{8587}No, Leo, really, I'd rather you...
{8753}{8802}Can I help you?
{8806}{8849}Yeah, is Piper home?
{8862}{8894}Who's asking?
{8898}{8976}- I'm Greg. She's expecting me.|- Leo, I got it.
{9001}{9044}Sorry. Running a little late.
{9079}{9149}- Leo? As in your?|- Yeah.
{9153}{9227}One and the same.|Leo, Greg. Greg, Leo.
{9231}{9265}Nice to finally meet you.
{9269}{9324}Thanks. "Finally."
{9328}{9422}So are you gonna be okay taking care|of everything? Wyatt and Chris?
{9452}{9507}Yeah, absolutely.
{9543}{9620}Really, everything will be fine.|If anything comes up, I'll call you
.
{9644}{9704}Okay, thanks. Good night.
{10986}{11023}Will you marry me?
{11027}{11074}You're asking me now?
{11078}{11112}Here?
{11116}{11167}This is still our spot, Bianca,
{11171}{11219}no matter what he's done to it.
{11223}{11255}Marry me.
{11277}{11334}On one condition.
{11357}{11451}You come back to me. Safely.
{11455}{11491}Have I ever let you down before?
{11673}{11717}What's that?
{11781}{11809}Chris!

{11852}{11900}Are you okay?
{11904}{12002}Yeah. Yeah, I don't think|it had time to transmit.
{12093}{12181}I cannot believe he's sending|probes after us now.
{12185}{12219}I'm gonna kill that son of a bitch.
{12223}{12272}No. No, you're not.
{12282}{12339}- You're gonna stick to the plan.|- But he knows.
{12343}{12402}No, if he knew, he wouldn't|have sent the probe.
{12425}{12456}You have to go back, Chris.
{12472}{12504}It's the only way to stop him.
{12508}{12565}It's the only way to change all this.
{12987}{13033}Morning.
{13037}{13109}- Wow.|- Wow?
{13113}{13203}One of the most powerful witches in|the world and all you can say is "wow."
{13207}{13267}I don't know, maybe I just need|a little more inspiration.
{13435}{13496}- Well?|- I...
{13500}{13569}I still think "wow"|pretty much covers it.
{13615}{13675}You better be careful,|because a girl could get used to this.
{13688}{13734}That's the plan.
{13768}{13819}Did you tell your sisters|you were moving out?
{13889}{13937}- No.|- Look, it just...
{13941}{14023}It hasn't really been the right time.|Things have been a little funky and...
{14030}{14067}There's never a right time.
{14071}{14162}You don't understand. Piper would|probably blow a major gasket,
{14166}{14240}and then we've got|all the family obligations
{14244}{14291}and, like it or not,|we're stronger together.
{14338}{14378}You gotta do something for you.
{14470}{14524}Can I get that?
{14583}{14622}It's the house.
{14661}{14693}Hello?
{14710}{14735}Yeah.
{14776}{14829}When I said I needed you,|I meant a fully clothed you.
{14833}{14896}Oh, please, Leo.|What's the big emergency?
{14900}{14977}What would you say if I said whoever|attacked Chris was called a Phoenix?
{14981}{15072}Well, I would say "What's a Phoenix?"|And then you'd probably tell me.
{15076}{15123}Well, they're a family|of assassin witches
{15128}{15220}who are very elite, very powerful and|were born with a distinctive birthmark
{15224}{15280}symbolizing the rise|from Salem's ashes.
{15284}{15316}Does the Book say what they want?
{15323}{15374}Just whatever bounty they're after,
{15378}{15450}which in this case is Chris,|which means they're still after him.
{15454}{15493}They won't stop until they succeed.
{15508}{15539}Did you call Phoebe and Piper?
{15543}{15585}No. Phoebe's at work
{15589}{15671}and Piper came in kind of late,|so I didn't wanna disturb her.
{15706}{15775}Did she come home alone?
{15796}{15846}- I don't know.|- Hey.
{15856}{15929}- Talking about me?|- Morning. Hi. No.
{15970}{16007}Listen, Wyatt's been fed,
{16012}{16133}and I'm gonna get some coffee|and Paige will fill you in.
{16189}{16215}What's going on?
{16225}{16317}Oh, Leo just found out|that a coven of assassin witches
{16321}{16382}called "the Phoenix" are after Chris.
{16386}{16434}So that's what you guys|were talking about?
{16438}{16555}Yeah, in the beginning,|and then I just kind of asked him
{16559}{16618}if you'd maybe come home|with anybody.

{16631}{16718}- I see.|- Did you?
{16767}{16833}Oh, come on! If a girl can't ask that,|what can a girl ask?
{16844}{16897}Actually, no.
{16921}{16976}I'm sorry.|Maybe he's just not the right guy.
{16980}{17042}No, it's not Greg. It's just me.
{17057}{17105}It's just weird now that I'm a mom.
{17109}{17205}I feel like I'm|betraying Wyatt somehow.
{17209}{17251}I think you're just betraying yourself.
{17255}{17309}Yeah, I know, it's just weird.
{17313}{17382}So a coven of assassin witches?
{17396}{17455}- Yep.|- Maybe we should call Phoebe.
{17459}{17537}No, I think we can do this by ourselves.|I don't think you have to bother her.
{17541}{17593}What if we need the power of three|after we find them?
{17597}{17654}You didn't need the power of three|to blow up the last one.
{17658}{17683}No, but...
{17687}{17738}So we need to try this whole|power of two thing,
{17742}{17775}learn how to be flexible, right?
{17779}{17842}So you stay here,|I'm gonna go get the scrying crystal.
{17986}{18047}Phoebe, I offered you the time off,|take it.
{18051}{18089}Go see Jason in Hong Kong.
{18093}{18170}It's just another airport, another city.
{18194}{18242}You can always send in the column.
{18275}{18313}E-mail, fax machine!
{18317}{18394}It's the 21 st century|and I'd like to welcome you to it.
{18407}{18475}When I say "take time,"
{18479}{18510}I don't mean a vacation.
{18550}{18601}Go live there for a while,|give it a shot.
{18627}{18663}- Elise, l...|- Go!
{18667}{18706}I want you to listen to me.
{18721}{18774}It's time I gave you|some advice for once.
{18812}{18859}Don't let it be work.
{18871}{18900}What do you mean?
{18904}{18992}There's a whole generation of women|out there who followed the dream,
{18996}{19067}built successful careers,
{19071}{19126}but at the expense|of everything else.
{19135}{19180}I'm not saying I think|they all made mistakes,
{19184}{19256}because some of them|are very happy.
{19273}{19310}But some of us aren't.
{19337}{19363}Trust me,
{19378}{19471}you don't wanna|wake up one day and realize
{19475}{19513}that all you've got is your career.
{19664}{19694}Hi, how's it going?
{19714}{19758}- Can I help you?|- Hopefully.
{19762}{19833}Yeah, see, we just moved in|from out of state,
{19837}{19878}and wanted to get to know|our neighbours.
{19886}{19924}Oh, well, welcome.
{19928}{19974}- Where did you move from?|- Phoenix.
{19987}{20014}Really?
{20040}{20089}Please, come in, come in.
{20111}{20161}Thank you.
{20273}{20337}- Nice place.|- Yeah, real nice.
{20341}{20378}Thank you.
{20382}{20414}Mommy, Mommy.
{20418}{20459}Mommy. Mommy, can I play with...
{20463}{20510}Bianca, can you give Mommy|a minute, okay?
{20514}{20548}Okay.
{20560}{20598}Go and play with your toys.
{20602}{20658}- I'll be right in, okay?|- Okay.

{20663}{20705}Now what?
{20741}{20782}Look out!
{20842}{20880}The kid.
{20990}{21032}Hurry, Bianca.
{21045}{21084}They can re-form?
{21088}{21192}Apparently. Which means the one|that attacked Chris can too.
{21549}{21626}You really shouldn't try|to orb anymore, you know?
{21631}{21662}It could kill you.
{21666}{21702}Is that what you want?
{21706}{21761}If that's what I wanted,|you'd already be dead.
{21765}{21843}All I want is to bring you back.
{21854}{21890}How did you know I'd be here?
{21894}{21963}Same reason you knew|I'd be waiting here.
{21967}{22091}- I mean, this is still our spot, isn't it?|- No.
{22115}{22179}This is what we hoped it would be.
{22183}{22259}This is what we were trying to preserve|for our future. Do you rem
ember?
{22269}{22328}We were naive to think|we could change anything.
{22332}{22387}- To stop him.|- You don't believe that.
{22456}{22513}- Or at least you didn't.|- Well, I do now.
{22517}{22555}What happened to you, Bianca?
{22571}{22608}How did he turn you back?
{22629}{22677}That's not important.
{22681}{22771}What is important is I was interrupted|in stripping you of your po
wers.
{22775}{22858}And if I don't finish what I started,|you'll die soon.
{22862}{22922}Think of it as an infection.
{22926}{22978}And I'm the only one|with the antidote.
{22982}{23022}Here or there, I am dead anyway.
{23026}{23061}No.
{23065}{23144}He gave me his word|he wouldn't hurt you.
{23148}{23200}Please, Chris.
{23204}{23280}Don't make this any harder|than it has to be.
{23449}{23484}Wait, how old is the little girl?
{23488}{23542}I don't know. Four, 5?
{23589}{23633}Chris!
{23706}{23748}Bianca...
{24019}{24049}Oh, my God, what is that?
{24053}{24107}- I don't know.|- Doesn't matter, just heal him.
{24153}{24185}Why didn't he tell us about that?
{24189}{24234}Why doesn't he tell us|about a lot of things?
{24307}{24336}What's the problem?
{24340}{24373}He's not healing.
{24377}{24447}Something's draining his powers|and blocking mine, it's like a vir
us.
{24451}{24480}A virus named Bianca.
{24484}{24530}- You think she did this?|- It's gotta be.
{24534}{24632}But it doesn't explain why she would|come back from the future to
kill him.
{24636}{24698}Well, somebody had to have sent her,|she's a hired gun.
{24703}{24793}Well, we have to find her to save him,|figure out what she did...
{24825}{24850}What is it?
{24924}{24986}Oh, my God. He loves her.
{25003}{25074}- Loves who? Bianca?|- Yeah.
{25078}{25114}She broke his heart.
{25360}{25399}Engagement ring.
{25420}{25487}Obviously an acrimonious split.
{25491}{25545}Well, at least we have|something to scry for her now.
{25564}{25669}You work on the vanquishing potion|in case she's not in the mood t
o help.

{25752}{25804}Bianca.
{25907}{25950}Bianca.
{25954}{26021}Welcome to|the Halliwell Memorial Museum.
{26026}{26103}A tribute to magic and, of course,|the Charmed Ones.
{26107}{26170}Please remember there is no|digi-capturing, no holographing
{26174}{26257}and most certainly no magic allowed|while inside the museum.
{26261}{26290}That's a big one.
{26294}{26368}Don't worry about those probes, folks,|they're merely scanning for witches.
{26378}{26480}As we pass through the foyer, note the|family portraits hanging on the walls
{26484}{26565}which date all the way back|to the witch trials.
{26655}{26693}Nicely done.
{26697}{26776}Around you, you'll notice just a few|of the many mythological creatures
{26780}{26887}the legendary sisters transformed into|in their demon-fighting heyday.
{26891}{27009}The Charmed Ones were responsible|for over 1,000 demon vanquishes
{27014}{27089}before they were finally|vanquished themselves.
{27131}{27202}Now, the time is 25 years ago.
{27206}{27285}Imagine yourself standing here|on this very floor
{27290}{27353}when the Charmed Ones|were reborn.
{27650}{27700}Okay, what was that?
{27716}{27772}I think that means|you're supposed to be here.
{28022}{28056}Scares them every time.
{28060}{28152}Let's go to the kitchen where many|of the sisters' potions were brewed,
{28156}{28227}some of which are available|for purchase in the gift shop.
{28292}{28364}Of course, the attic was|the preferred spot for potion-making,
{28368}{28437}principally because that's where they|kept the famed Book of Shadows,
{28441}{28481}which is where we're headed next.
{28495}{28588}A little background on the manor itself.|It was actually destroyed ...
{28774}{28845}- Hey, you two, move along.|- Wait for it.
{28910}{29007}Are you deaf? I sa...
{29190}{29232}Come on.
{29508}{29590}We should be safe here|until the museum closes.
{29594}{29643}Then we'll go get the Book.
{29661}{29711}- What's the matter?|- Nothing.
{29715}{29808}It's just sometimes I forget|who you really are.
{29812}{29855}Hey.
{29859}{29893}Come here.
{29956}{30002}You mean how I used to be, Chris.
{30006}{30050}Before I met you.
{30066}{30135}So, what do we do now?
{30203}{30258}We say goodbye.
{30905}{30940}Who are you|and what do you want?
{30944}{30979}Where's the grimoire?
{30983}{31023}One more time. Who are you?
{31048}{31094}Who do you think I am...
{31162}{31229}...Mother?|- Bianca?
{31233}{31279}In the flesh.|Now, where's the grimoire?
{31283}{31370}I have to get the Charmed Ones|off my tail fast. I need a spell to do it.
{31375}{31422}I don't understand,|how is this possible?
{31434}{31483}Look, I don't have time|for reunions, okay?
{31487}{31548}And I won't make the same mistake|a thousand other demons have.
{31552}{31585}Now, where's the damn book?
{31661}{31698}Thanks.

{31756}{31819}- Where is the inhibition spell?|- How is that gonna help?
{31824}{31872}I know the Charmed Ones,|I studied their history.
{31876}{31913}This is when they want|separate lives.
{31917}{31980}If I release certain inhibitions,|I can get them to pursue them.
{31984}{32017}The spell won't last long.
{32022}{32092}It just has to distract them|so I can get what I came for.
{32127}{32158}Got it.
{32162}{32195}Thanks.
{32217}{32253}Wait.
{32263}{32318}Do you have to leave so soon?
{32323}{32356}Can't I help?
{32401}{32444}Yeah.
{32448}{32516}Someday, when I ask you|what it feels like to kill,
{32520}{32546}don't lie to me.
{32583}{32625}Don't tell me you don't feel a thing.
{32837}{32892}Hang in there, buddy.
{32934}{32988}We found Bianca,|she's at her mother's.
{32992}{33034}- Little Bianca?|- No, the one we want.
{33038}{33151}Here. Something for Chris|to remember her by, or not.
{33155}{33273}Got the vanquishing potion,|so after we orb over there, I'm gonna...
{33369}{33448}- You're gonna what?|- I'm gonna move into Richard's house.
{33453}{33513}- Are you? Good for you.|- That's a great idea.
{33517}{33581}And I think I'm gonna go check out|what's going on in Hong Kong.
{33585}{33621}- Cool.|- Hang on a second.
{33625}{33662}This isn't you guys.
{33666}{33726}You must be under some kind of spell.|You have to fight this.
{33730}{33781}- How can you fight your heart?|- Or your hormones?
{33785}{33814}Yeah.
{33818}{33868}Will you drop me off|on the way to Richard's?
{33872}{33936}- I would love to.|- Paige, Phoebe, listen to me.
{33987}{34013}Wait.
{34180}{34210}What do I tell them?
{34305}{34332}Don't tell them anything.
{34353}{34431}Just stick to your cover story. The less|they know about the future, the better.
{34435}{34504}- What if they find out who I really am?|- They won't.
{34508}{34586}Not as long as you can|pass yourself off as their whitelighter.
{34590}{34635}You're sure I won't lose my powers|when I go?
{34639}{34686}Not with this spell,|that's why we need it.
{34695}{34807}But just remember, protect baby Wyatt|and you protect the Charmed Ones.
{34811}{34857}Keep them alive for our future.
{34872}{34949}Great. No pressure there.
{34961}{35030}Chris, you know you're|the only one who can do this.
{35062}{35110}You're the only one|who can save us.
{35115}{35162}If I make it back.
{35183}{35245}Baby, you have to make it back...
{35258}{35311}...if you wanna marry me.
{35499}{35540}You really know how|to motivate a guy.
{35724}{35791}- Sure you can summon the real Book?|- Yeah.
{35796}{35857}- Away from him?|- Yeah.
{35861}{35905}But we won't have much time|once it gets here.
{35910}{35946}His demons will be all over us.
{35950}{36000}We won't need much time.
{36005}{36078}Just long enough|to send you back to them.
{36277}{36307}Hurry.
{36311}{36371}Before he finds us.
{36443}{36484}Paige?
{36488}{36544}Phoebe, get back here right now.|That's an order.

{36590}{36652}Wyatt's sleeping|and the monitor is in the kitchen.
{36657}{36704}Okay, Piper, but you can't go.|What about Chris?
{36708}{36757}Wish me luck.
{37049}{37127}Come on. We're going home.
{37640}{37708}- Hey, hold it.|- Why?
{37713}{37807}Because I just wanna make sure|that you're sure about this.
{37811}{37856}What's the matter?|Am I not acting sure?
{37861}{37970}Yeah, it's just that, well, you've been|a little reluctant until n
ow.
{37974}{38040}And I guess I'm just curious,|why the change?
{38080}{38122}Who knows? Who cares?
{38126}{38184}All I know is I want...
{38209}{38238}Oh, my God.
{38265}{38347}What? Are you out of your mind?
{38351}{38412}What are you, a peeping Elder now?
{38531}{38585}What's going on?|What am I doing here?
{38634}{38664}What are you doing here?
{38668}{38748}Counteracting a spell|that Bianca apparently cast on you.
{38758}{38869}- What kind of spell?|- One that lowers your inhibitions.
{38906}{38969}- Oh, boy.|- Yeah. Yeah.
{38986}{39018}So did she get Chris?
{39022}{39066}Yeah, and I'm hoping|if we can break the spell
{39070}{39141}on Phoebe and Paige,|we might be able to get Chris back.
{39145}{39197}Right, okay, so let's go.
{39256}{39320}You need to turn around,|because you don't get to see anymore.
{39644}{39682}Hi, how's it going?
{39707}{39770}- What are you doing here?|- Moving you back home. Hit her.
{39839}{39940}No time to explain. Come on. We gotta|get Phoebe or we'll never ge
t Chris.
{40014}{40084}Just let me finish what I started.
{40106}{40165}You'll feel better soon, I promise.
{40178}{40219}That's it.
{40240}{40300}Easy does it.
{40331}{40368}Slow breaths.
{40448}{40501}- What did you do to me?|- I just saved your life.
{40505}{40561}By taking away my powers?
{40739}{40791}How are you gonna|bring me back anyway?
{40795}{40833}That spell's a one-way door.
{40837}{40874}It only goes backwards in time.
{40879}{40928}He created a new spell|because of you.
{40932}{40992}- One that works both ways.|- I'm touched.
{40996}{41056}You should be. He's gone to|a lot of trouble to get you back.
{41061}{41094}Yeah, I see that.
{41128}{41174}You know, you don't have|to believe me, Chris,
{41178}{41216}but this really is for the best.
{41221}{41271}Oh, really? How's that?
{41276}{41329}Because this is|your only chance to live.
{41333}{41392}If I fail, he'll just keep sending|more assassins back
{41396}{41452}and all they'll have|to bring home is a body.
{41468}{41512}Doesn't matter.
{41541}{41604}There's nothing left in the future|anymore anyway.
{42120}{42159}It's time.
{42209}{42280}I don't wanna go.|I don't wanna leave you.
{42362}{42398}Here.
{42408}{42484}This will remind you|why we're doing this.
{42496}{42529}And what's waiting for you here.
{42624}{42700}Just make sure you take care|of the guards, okay?
{42717}{42786}Then get out of here.|Because if he finds you,
{42791}{42869}if he knows you betrayed him,|he'll kill you.
{42878}{42920}Don't worry.

{42924}{42966}I can take care of myself.
{43346}{43452}"I call upon the ancient power|To help us in this darkest hour
{43457}{43503}Let the Book return to this place
{43520}{43585}Claim refuge in its rightful space"
{43683}{43771}- It worked.|- The spell, find the spell.
{43869}{43909}"Hear these words, hear the rhyme
{43916}{43957}Heed the hope within my mind
{43961}{44006}Send me back to where I'll find
{44010}{44090}What I wish, in place and time"
{44362}{44388}Bianca!
{44474}{44514}Go! Go!
{44688}{44747}You really expect me to|jump into this thing like before?
{44758}{44796}Not without a fight, no.
{44880}{44914}How can you be so cold?
{44939}{45016}How can you stand and pretend like we|never meant anything to each other?
{45021}{45060}I don't have a choice.
{45064}{45126}Bianca, please don't do this.
{45143}{45193}Don't give up on everything|that we fought for.
{45220}{45245}I'm not.
{45258}{45312}I'm just hoping|we can find another way.
{45384}{45426}Ready?
{45523}{45556}Hey, future girl!
{45733}{45784}- You were saying?|- Wow, she is good.
{45837}{45901}I can kill her in half the time|it takes you to think about it.
{45905}{45947}We still have enough potion|to vanquish you.
{45951}{46044}Maybe, but then you really will have|to hope the power of two will do.
{46048}{46074}Won't you, Paige?
{46098}{46167}Oh, you'd be surprised|what's in the history books.
{46171}{46221}Now put the vials down slowly.
{46237}{46302}Bianca, don't. Let her go|and I promise I'll go with you.
{46322}{46353}Chris, what are you doing?
{46357}{46461}If you kill her, there won't be a future|for us to go back to and you know it.
{46465}{46537}- What are you talking about?|- You'll see if you live long enough.
{46574}{46614}Piper, freeze them.
{46651}{46717}Okay, I get why she didn't freeze,|but why didn't he freeze?
{46721}{46769}- Unless he's a...|- I'm a witch too?
{46825}{46851}That's right.
{46855}{46955}Part witch, part whitelighter.|Just like you, Paige.
{46959}{47016}- You lied to us?|- I had to.
{47020}{47067}It was the only way|I could get you to trust me.
{47071}{47104}Trust you?
{47108}{47147}Never mind,|it doesn't matter anyway.
{47151}{47190}So that's it, you're just gonna leave?
{47194}{47223}I don't have a choice.
{47227}{47284}She stripped my powers.
{47322}{47373}Leo is gonna have to fix|that floorboard without me.
{47453}{47493}Let's go.
{47945}{48009}Welcome home, Chris.
{48312}{48344}Hello, Wyatt.
{48499}{48543}There's gotta be a spell|in here somewhere.
{48547}{48590}To take us to the future?|I don't think so.
{48594}{48678}Well, Bianca's a witch, she could do it,|how could she do it?
{48682}{48712}We don't know how.
{48716}{48754}How did we do it five years ago?
{48758}{48794}The Elders made|that happen, remember?
{48798}{48859}Well, you're an Elder,|make it happen.

{48863}{48924}- That was a unique situation.|- This isn't?
{48928}{48987}I don't like this either.|Don't you think I wanna save him?
{48991}{49040}I don't know if I wanna save him|or kick his ass.
{49044}{49118}That still doesn't change|all the good he's done.
{49122}{49182}You're singing a different tune.|You've come a long way, baby.
{49186}{49280}Okay, despite all his secrets,|I still believe that he came back
{49284}{49360}to protect Wyatt and that is enough|for me to wanna save him.
{49364}{49417}The question is how?
{49476}{49519}- Leo.|- What?
{49523}{49555}Fix the floorboard.
{49559}{49603}Maybe he was trying|to tell us something.
{49607}{49637}- Who? What?|- Maybe.
{49641}{49767}Maybe that's where Bianca was|taking him. To the attic in the futu
re.
{49771}{49832}But that would still be there|in the future, wouldn't it?
{49836}{49870}Yeah, unless we fixed it.
{49874}{49952}Or used it to send him something,|something that he needed.
{49956}{50041}- Like what?|- His powers.
{50395}{50450}They're no threat to me.
{50506}{50563}Et tu, Chris?
{50590}{50629}Of all the people to betray me...
{50633}{50681}I didn't go back to betray you, Wyatt.
{50685}{50736}I went back to save you.
{50740}{50800}Save me? From what?
{50805}{50846}From whatever evil it was|that turned you.
{50856}{50910}That's always been|your problem, Chris.
{50926}{51011}Stuck in the old|good-versus-evil morass.
{51015}{51054}I'm so past that.
{51058}{51120}It's all about power,|it's as simple as that.
{51124}{51194}And whoever has|the most power wins, is that it?
{51198}{51236}That's it.
{51240}{51304}That's why I keep|this museum intact.
{51314}{51364}To remind everyone the power|from which I was born,
{51368}{51405}and that which I possess.
{51409}{51478}Too bad the rest of the city isn't faring|as well as your shrine h
ere.
{51509}{51612}You know, if anyone else tried what|you tried, I'd kill them on th
e spot.
{51616}{51665}But you...
{51717}{51759}I've forgiven Bianca,|I can forgive you too.
{51763}{51839}If you promise|never to cross me again.
{51843}{51871}You know me better than that.
{51875}{51921}You said you could talk|some sense into him.
{51925}{51951}Leave her out of this.
{52139}{52184}Pardon me?
{52356}{52460}- Hurry, hurry, hurry!|- I'm trying, I'm trying.
{52531}{52580}There you go.
{52673}{52703}Okay, put it back.
{52768}{52805}You promised you wouldn't hurt him!
{52809}{52850}And you promised you'd turn him.
{52854}{52935}Just like I turned you,|or at least I thought I had.
{52969}{53015}Chris, please.
{53044}{53079}I didn't bring you here to die.
{53083}{53118}Don't worry, I know what I'm doing.
{53207}{53244}I think.
{53328}{53370}Have you lost your mind?
{53410}{53502}I don't need you.
{53745}{53791}Whatever you're gonna do,|do it fast.
{53795}{53831}I can't hold him for long.
{54029}{54083}"Power of witches, rise|Come to me from across the skies

{54087}{54135}Return my magic, give me back
{54139}{54202}All that was taken from the attack"
{54288}{54328}No!
{54497}{54569}Bianca. Bianca.
{54573}{54622}No. No. No.
{54626}{54669}Haven't we been here before?
{54716}{54752}Maybe we will be again.
{54789}{54838}Maybe.
{54962}{55017}You can finish what we started.
{55129}{55161}Hurry.
{55186}{55241}Take the spell|so he can't send anyone else.
{55278}{55323}Go.
{55465}{55507}"Hear these words, hear the rhyme
{55511}{55543}Heed the hope within my mind
{55607}{55687}Send me back to where I'll find|What I wish, in place and time"
{55763}{55797}No!
{55934}{56002}- Oh, my God, are you okay?|- Yeah, I'm fine.
{56049}{56075}Nice spell.
{56079}{56136}Yeah, but we just put it in there,|like, two seconds ago.
{56140}{56191}- The way time travel works...|- I don't wanna know,
{56196}{56240}I already have|a little headache, thanks.
{56244}{56317}You have some serious explaining|to do, young man.
{56337}{56382}I know.
{56386}{56466}Listen, I'm sorry I lied to you,|I really am, but...
{56470}{56529}No, no buts, it's about time|you tell us the truth. Now.
{56563}{56638}I can't.|But not because I don't want to.
{56642}{56719}There's only so much I can tell without|the future being changed t
oo much.
{56723}{56800}Isn't that your whole point?|To come and change the future?
{56810}{56888}Yeah, but that was supposed to be|more like a surgical strike.
{56892}{56926}To save Wyatt.
{56952}{56981}To save Wyatt.
{57009}{57049}What about Bianca?
{57154}{57209}Bianca won't be a threat|to anyone anymore.
{57234}{57266}I'm sorry.
{57322}{57350}Me too.
{57422}{57467}So you still all right|with me hanging around?
{57622}{57670}Absolutely.
{57681}{57730}But the next time you're in trouble,|you tell us.
{57766}{57802}Trust works both ways.
{57824}{57858}Okay.
{58348}{58411}If I can't save you,|I swear to God I'll stop you.
{58767}{58829}- Hey.|- Hey.
{58848}{58907}What's going on?
{58911}{58976}Well, I've been thinking.
{58999}{59038}Does that mean I'm in trouble?
{59093}{59153}I think it's time we make|some changes around here.
{59262}{59306}What kind of changes?
{59329}{59411}Like I think you should move|to Hong Kong with Jason
{59438}{59485}and you should move in|with Richard.
{59560}{59603}I never said I wanted that.
{59633}{59725}You didn't have to,|the spell did that for you. And you too.
{59816}{59885}Well, we can't leave you alone.|We have to stick together.
{59889}{59956}No, I know, believe me. I know.
{59960}{60047}But you can't keep sacrificing|your lives forever.
{60051}{60085}And neither can I.
{60105}{60187}Mom did that, Grams did it,|and even Prue.
{60204}{60253}And look what happened to them.
{60296}{60339}It's not a legacy I want us to inherit.
{60366}{60441}What if is doesn't work out,|us going our separate ways?

{60446}{60513}Well, we'll worry about it then.
{60596}{60633}You sure about this?
{60691}{60733}Yeah, I am.
